Dear parent/guardian,

Strathaird Primary School is looking forward to another great year of teaching and learning and would like to advise you of Strathaird Primary School's voluntary financial contributions for 2025.

Schools provide students with free instruction to fulfil the standard curriculum requirements and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that is through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

The environment and resources that we enjoy today represent the contributions made by our parent/carer community over many years. Parent/carers contributions make a significant difference to the quality of our programs. This financial support ensures that we can continue to provide the excellent range of facilities and resources for your children. Your support in 2024 allowed us to:

- provide high quality programs and specific subject materials and equipment for English, Mathematics, Science and Technology, Art, Music, Inquiry, Sustainability, Language, Kitchen Garden and PE
- maintain and develop the school grounds
- ensure the upkeep of our computer and ipad devices to enhance learning opportunities in lieu of a bring your own device program
- maintain sufficient class sets of books for students to develop their reading skills
- provide hands on maths equipment i.e.: measuring materials for teaching purposes
- facilitate Literacy and Mathematics online digital subscriptions
- deliver a range of sporting equipment
- arrange for individual student supplies and class bulk supplies
- offer effective first aid for all students.

The student stationery supplies will be ordered in bulk class lots and **delivered directly to classrooms** for the beginning of the school year. **There will be no book collection day held in 2025.**

We have decided to purchase stationery in bulk to take advantage of the cost savings for our families. Bulk buying supplies allows us to supply all students with the correct materials to complete the curriculum and saves families the hassle of sourcing supplies themselves. We welcome all contributions towards the cost of these materials.

If you are unable or choose not to make financial contributions, your child will not be disadvantaged or denied access to the resources required to deliver the curriculum.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Julie Kennedy
Principal

Sarah McKenzie
School Council President

Payment methods

All parent payments and contributions can be made on the QKR app or debit/credit card at the school's office.

Refunds

Parent requests for refunds are subject to the discretion of the school and made on a case-by-case basis. Refunds will be provided where the school deems it is reasonable and fair to do so, taking into consideration whether a cost has been incurred, the Department's Parent Payments Policy and Guidance, Financial Help for Families Policy, and any other relevant information.

If a camp or excursion is cancelled or altered by the school, or a student is no longer able to attend part or all of the camp or excursion, the school will consider requests for partial or full refunds of payments made by parents/carers on a case-by-case basis taking into account the individual circumstances. Generally, the school will not be able to refund payments made for costs that have already been paid where those funds have already been transferred or committed to a third party and no refund is available to the school. Where possible, the school will provide information about refunds to parents/carers at the time of payment.

Method of reimbursement

Reimbursements will be processed by way of a credit being applied to the family account unless alternative arrangements are made, which can be used for future activities. If the original payment was made with CSEF Credit, this credit will be reapplied to the family account as CSEF credit.
